

Tech Sheet: Embraer Phenom 100 (EMB-500)

(embraer-PH1.pdf)

Phenom 100 "Bikini" type Engine Cover & interior Cockpit HeatShields set

COCKPIT COVERS HELP REDUCE DAMAGE TO YOUR AIRPLANE'S UPHOLSTERY AND AVIONICS caused by excessive heat and can eliminate problems caused by leaking door and window seals. They keep the windshield and window surfaces clean and help prevent vandalism and theft.

The Embraer Phenom 100, EMB 500 Cockpit Cover attaches with belly straps in the front and rear of the cover. The straps at the front corners attach to the nose gear post to help keep the cover from sliding sideways. Attachment buckles are made of non-metal Delrin.
